

## CORPORATE SUPPORTED SYMPOSIUM PROPOSAL APPLICATION

This application must be submitted to the ASGCT Executive Office on or before January 29, 2010 for inclusion in the 13<sup>th</sup> Annual Meeting Preliminary Program. Applications will be accepted after this date, but cannot be guaranteed placement in the Preliminary Program.

**Thursday, May 20<sup>th</sup> or Friday, May 21<sup>st</sup> • 7:00 pm – 10:00 pm**

ASGCT provides a limited number of industry partners the opportunity to host an evening symposium during the Annual Meeting, based on approval of individual program proposals. The proposals are reviewed by the Program Committee and President, and accepted based on merit, date, and space availability. These symposia are not eligible for continuing medical education (CME) credit.

**Note:** In order to avoid duplication of presentations, the Society strongly discourages speakers confirmed for the official ASGCT scientific symposia to present a similar talk at a corporate symposium.
